PREMIUM EX

TABLE TOP TT PREMIUM EX

The highest quality table top made of moisture resistant birch plywood (30 layer) which perfectly damps vibrations. PREMIUM EX table top surface is coated with a special laminate resistant to impact, abrasion and splinters. Sides protected by ABS slats.

STAND PREMIUM EX SILVER

Steel, stable and durable stand with height adjustment (72 – 82 cm).

MORE POWER. LESS COSTS.

Built-in energy-saving AC Servo motor

Energy-saving AC Servo motors work only when the machine is sewing. They maintain full power and save up to 70% energy (compared to electronic and standard clutch motors).
